Taste of Philly (Damp) Picnic

On what started out to be a damp and dreary day on Sunday, September 7, 2025, twenty-six (26) member and guests of the Delaware Valley Jaguar Club gathered at the new picnic ground at Historic Hope Lodge in Fort Washington, PA. Fortunately the precipitation abated and everyone was able to enjoy some time together while enjoying Wawa hoagies, Tastykakes, snacks and beverages. Thanks to Hope Lodge for providing the venue and to Tony Tinari for organizing the event.

Delaware Valley. Following their defeat of the Tampa Bay Buccaneers, the Eagles are one of two remaining undefeated NFL teams at 4 – 0. Not to be outdone, the Phillies won the National League East division in dominating fashion and

earned a spot in the Major League Baseball Playoffs. With a nod to British weather, the [Taste of Philly Picnic](#) at Historic Hope Lodge kicked off DVJC's fall event calendar. Thanks to the efforts of Tony Tinari, twenty-six members of our club inaugurated the new picnic area and enjoyed a selection of Wawa hoagies, Tastykakes and snacks.

Although they have relinquished their Jaguar new car franchise, [Land Rover Allentown](#) invited DVJC members to an open house at their dealership. Several of our members did attend and enjoyed their hospitality. The dealership is continuing to support our club by advertising their service and pre-owned sales offering in the *Purr*.

Four events are scheduled during October. A [Century of Beautiful Automobiles](#) (previously the Classics at Brantwyn) is happening this Sunday, October 5. Depending on the date of publication of the *Purr*, tickets may still be available. Contact Ed Petrow (edpetrow22@gmail.com) if you are interested.

The Brits at the Tileworks show in Doylestown is a terrific opportunity to share our beautiful and unusual Jaguars with a large community of spectators (and, maybe, some potential members).

Organizers of this show have set aside a prominent parking area for Jaguars. Be sure to register now and plan to drive to the New Britain Inn for lunch following the show on Saturday October 11. [Access the link to pre-register on our event page.](#)

Main Line Cars & Coffee has extended a special invitation to DVJC and non-affiliated Jaguar owners to display our cars together at the Sunday, October 26 event in Chesterbrook (Wayne), PA. In addition to the cars and coffee, DVJC will reward your participation with donuts. I hope that you are **unable** to resist the temptation and that you will join other club members that day. [Check our event page for more complete information and links to register for the show.](#)

Finally, all club members are invited to participate in the quarterly meeting of your board of directors on Thursday October 23. In addition to normal business topics, we will be finalizing the 2026 budget and discussing an action plan to implement member survey recommendations. [More information is available here.](#)

As if struggling through the reimagination of Jaguar and several senior leadership changes over the past few years hasn't been enough, JLR was the victim of a cyber attack that began on August 31. The combined effects of the attack and proactively taking systems down to contain damage have effectively shut the company down for a month. While this shutdown has had no impact on manufacturing of Jaguars, it has completely stopped daily production of approximately one thousand Land Rovers. The shutdown has reverberated well beyond the UK facilities and through the extensive supply chain supporting its operations. An estimated thirty thousand JLR employees and over 100,000 people employed at supply chain companies have been directly impacted. As of September 29, the company is gradually restarting IT systems with the initial focus on processing payments to vendors, relaunching wholesale vehicle delivery to dealers and resuming global parts supply operations. The next step is restarting

some portions of the vehicle manufacturing process. What a nightmare! Fortunately, the past few years' financial performance has positioned the company to weather this storm.

While JLR is dealing with the fallout from the cyber-attack, we can jump in our cars, turn the key (or push the "start" button) and enjoy some

great fall driving days. Ladies and gentlemen, start your engines!

Hope to see you soon,

Bill

Membership Musings

October 2025

By: Tony Tinari

While others may welcome the arrival of fall because of the return of football season (and this year a post-season Red October for our Phillies!), nevertheless in my capacity as your DVJC membership director, I have another seasonal benefit in mind. And no, it's not the availability of pumpkin spice latte-which I personally feel is a horrible thing to do to a perfectly good cup of coffee. Instead, it's the beginning of "New Member Hunting Season", that most wonderful time of year when enthusiasts joining our club for the first time get the "15-month deal". Which is to say, starting October 1, 2025, anyone brand new to DVJC may secure membership for the remainder of 2025 and all of 2026 for the payment of the yearly dues of \$75. It's an opportune time for all of us to entice those other Jaguar fans we know who have not yet gotten around to joining us. Happy hunting, and if anyone needs help to "close the deal" with a prospective newbie, please be in touch with me. By the way, note that for the third consecutive year, DVJC has not increased its dues. Enough said about that!

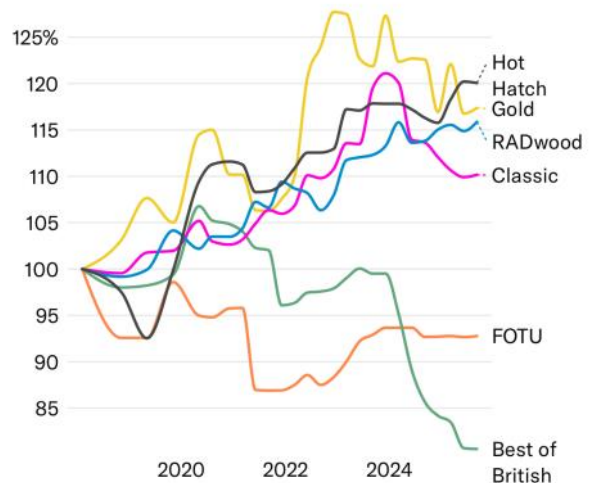

As regular readers of this column will appreciate, periodically I take the opportunity to check in on the value of vintage British metal, like that shown above. This time around, I did not have to look very far for a source of information, as the *Hagerty Insider* issue of September 17, 2025,

carried an article titled ominously "The U.K. Collector Car Market Is Still in a Crisis of Confidence". Ouch. Bad enough that the JLR mother-ship can't seem to buy a break these days (see "Your Monthly Bill" in this issue of the *Purr*), never mind that in the opinion of the automotive press the value of Jaguar classics even in their homeland is, shall we say, neither keeping calm nor carrying on.

Hagerty UK Indices to September 2025

Average value change percentage over time (Feb 2018 is 100%)

Source: Hagerty

HAGERTY

In the article mentioned, John Mayhead of Hagerty presented the above graphic to illustrate some widespread malaise in the classic car market generally. He then observed specifically "... *the Best of British Index, which tracks many 1950s and 1960s British cars, dropped 6%, the most of any U.K. Hagerty index. It now sits the lowest in percentage terms, the average value just over 80% of what it was in 2018.*" This is evident from the chart, which calls out the British index relative to other collector classes. While these are U.K. based results, I suppose that for articles of British origin the U.S. results are not appreciably different.

Jaguar XKE prices down over 10 years

Early 'flat floor' Jaguar XKE (E-Type) OTS prices are now 34 percent of what they were ten years ago (UK Hagerty Price Guide condition 2 'excellent'). Prices in GBP (£).

Source: Hagerty

HAGERTY

It gets worse. According to Mayhead and Hagerty, values of even the venerable E-Type have taken a hit: “Some models once in huge demand have continued a downward descent: The condition #2 (excellent) value of a Jaguar E-Type (XKE) SI OTS (flat floor) is £69,700, down from a peak 10 years ago of £204,000 for the same car.” (At current exchange rates, that’s a decrease from \$274,450 to \$93,770.) I do not necessarily believe that this level of deflation has attended the value of E-Types less rare and exotic than the fabled “flat floor” or “outside bonnet latch” examples. Nevertheless, it’s a disconcerting trend.

Helm Motorcars

Still, one look at the example pictured above reminds me that we must all keep in mind the difference between cost and value. As I’ve written before, while cost is important, value is more important. The enjoyment of the cars we all love is the predominant element of the value of Jaguar ownership, in my very humble opinion. Hagerty and Mayhead put it more eloquently: “Price drops may adversely affect owners who bought at the top of the market, but they offer opportunities for others and tempting bargains are now there to be had. Plus, the classic and collector car world offers two elements that it always has: a sense of community and escape from the day-to-day. In our complicated world, these two things are more important than ever.” DVJC exists to help you with those things!

Tony

Treat Yourself to the Luxury and Performance You Deserve

Your XJ6 is coming up for replacement. And, naturally enough, you've started to wonder what your next car should be.

Just as naturally, you'll want it to be at least the equal of the car you now own.

Which, considering Motor magazine said your model was 'closer to overall perfection than any luxury car we have tested, regardless of price . . . ' will be no mean feat.

To be honest, though, there is now a better car than your old XJ6.

It comes with all the standard features you've come to expect from your Jaguar.

(Power-assisted rack and pinion steering, laminated windshield, heated rear window, adjustable steering column, inertia-reel front seat belts, anti-dive front

suspension geometry, etc., etc., etc.).

It is as quiet on the road as your Jaguar.

It rides and handles as well as your Jaguar.

It gives the same effortless performance as your Jaguar.

But unlike your Jaguar, the car we are talking about offers even more comfort. (An additional four inches of leg room.)

It offers an even more refined, even more uncomplicated dashboard.

The heating controls, with separate vents for front and rear passengers, are even easier to operate.

And perhaps most important of all, it comes with Supercover, the most comprehensive after-sales commitment ever

offered to the British motorist.

In spite of inflation, the car we are talking about still represents the same amazing value your old car did.

And perhaps now is the time to reveal – if you haven't guessed already – that the car we are talking about is the up-dated version of your XJ6:

The new Jaguar XJ 4.2

All of the good reasons that led you to buy a Jaguar in the first place, will lead you to buy a Jaguar in the second.

Because when you examine what others are offering, there's still really no alternative.

Whether your goals are Amelia Island or just your neighborhood ice cream social...

Perhaps a grueling cross country rally is more your style, or maybe just a weekend ride in the sun...

Or maybe a run up Giant's Despair in your classic MKII, or perhaps pounding the streets of Pittsburgh for a weekend in your XK...

From Amelia Island to Pebble beach to the local show around the corner. 4000 mile rallies to a pleasant day discovering the wonders of Chester County. Pushing to the top of Giant's Despair or watching the stone walls fly by in Schenley Park or entering Big Bend at LimeRock at full tat...

For almost a half a century Cloverleaf has been repairing, restoring and modifying British cars for the enjoyment of their owners

DVJC Wants You!

Actually, we want your stories. As part of the club's ongoing efforts to engage, inform and at times, entertain its membership, we are interested in learning more about you and your passion for cars. For those of you who have belonged to this or other clubs, you may have come to realize that the cars bring people together but it's the interaction with fellow members that keep you coming back. In that spirit, we will be starting a series of questions & answers to be published from time to time in *The Purr*. The length and detail of responses are entirely up to you and in some cases, may be a few words or for those inclined, a few paragraphs with a picture. Simply put, everyone loves a good story and with over 150 members, there's no doubt our members have a few stories to tell.

To kick things off, here are some ideas based on past articles:

Your car's appearance on the DVJC calendar
Jaguar owned by a notable person.
Holiday or special occasions involving your Jaguar.
Restoration efforts, successes, challenges.
Maintenance tips or experiences.
Equipment mishaps and repair efforts at an event.
Your biography to introduce yourself to the club.
Attendance at or participation in a special event.
Just about any interesting anecdote you think would interest readers.

While most members own a Jaguar or two or more, Jaguar ownership has never been a requirement for joining the club so all are welcome to participate. Don't be shy!

How to submit a response

- Send an email or Microsoft Word file to Brian Craig, editor of the *Purr*, to bhc166@aol.com.
- All responses will be published in the *Purr*. Please note that, due to publication reviews and editing, articles may be published a month or two later than submitted. As a reminder, the current month's issue of the *Purr* is always available on the website at <https://delvaljaguarclub.com>
