Drive over Guardsman Pass and lunch at The Hub Restaurant

Clear skies and spectacular colors awaited us for our drive. For September we held a drive over Guardsman Pass on the 27th. We started the drive at the mouth of Big Cottonwood Canyon. From there we headed up the canyon and over Guardsman Pass. It seemed like the perfect day to see the colors as they were bright and vibrant. It also seemed that we were not alone in thinking it was a great day to see the colors, as there was quite a bit of traffic going both ways over the pass. After seeing the colors we headed down into Heber City to have lunch at The Hub Restaurant. While we all waited for our delicious food everyone remarked how amazing the colors were. After we all enjoyed our lunch some of the group elected to go back over Guardsman Pass to the way home to see the colors again.

Those who attended were Mike and Susie Cady, Liz Green, Tim and Beth Furner, Leland and Petra Gray, James and Susan Jennings, Kay Jennings, Jackson Jennings, Hermione Klekas, Karl and Jean Hendrickson, Ben Romanowski, Marvin and Connie May, Jeff Penrod, and Rick Southwick and his Dad Rick Southwick

Remembering Duane Allred 1938-2025

As many of you know, we recently lost one of our original WMJR Members.....Duane Allred. For 49 years, he has been an enthusiastic contributor to club events and activities. He helped in the plannings and execution of many events over the years and was always on the lookout for new members to recruit. Over the years, Duane could be found at the grill as he was the “head chef” for our BBQ parties at the Borg family cabin in Midway. He was always omnipresent at the Jennings Car Barn parties and the Klekas Halloween parties.

About the time the club was organized (1976), Duane purchased a 1964 E-type coupe that required a complete restoration. Club member Randy Aagaard was a professional, and he directed and assisted Duane in the restoration process. J Jennings was working on his E-type about the same time and assisted Duane also. When the project was complete, Duane showed the car at the U of U car show and the Utah Auto Expo at the Salt Palace, as well as our many WMJR concours events....always receiving high praise.

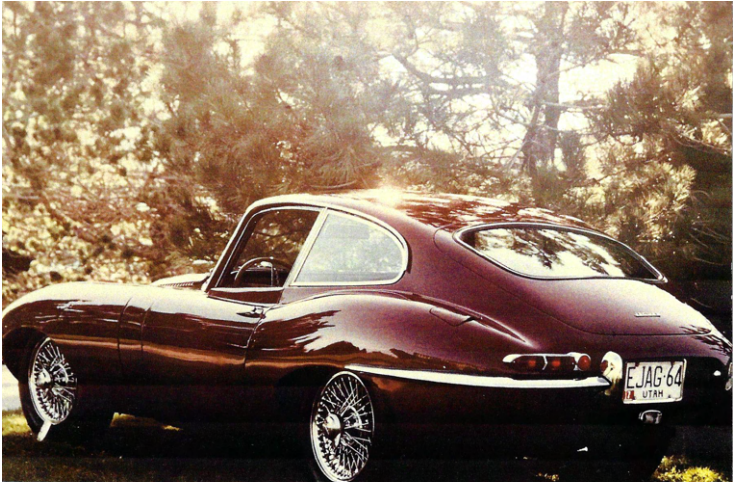

In the past several years, Duane kept his “baby” securely locked in his garage. This however, did not discourage him from participating in club events.

We will all miss him greatly at our WMJR activities in the future!

The attached photos will certainly bring back many fond memories.

Up Coming Events

With the leaves changing colors it means that we are in the final quarter of the 2025. This year has flown by as we are down to the last 3 events of the year including the Halloween party. To round out the year we have the 2026 (50th anniversary) Planning meeting in November and our annual Christmas Party in December.

If you did not see in last months newsletter, now is a good time to make sure that you information is up to date with the club. We will be mailing out information on some events next year and I will be personally mailing an invite to every member for our annual Christmas Party this year. You can update your information at www.wmjr.org/membership-update-form or you email me at suz.jennings@gmail.com If you have any questions you can email me or call or text me after 3:30pm at 801-556-8538
