

A-2 Welcome & Introduction

**2026 Annual General Meeting
President Mark Mayuga**

WELCOME TO MEXICO CITY...

JCNA Delegates, Welcome to Mexico City and the hospitality of the Mexico Jaguar Club. Alex Mena and his club members have opened their hearts and gracious hospitality to those who have made this historic trip to Mexico and to Mexico City, the oldest city in North America. Our business meeting will address issues that currently challenge our membership, event participation, administration, and budgets.

We will also look forward to building initiatives from our collective experiences of the past year into positive proactive actions. We will be learning and listening to each other and formulating new directions and ideas that will attract new members, sustain our core membership foundation, and offer more value to our affiliate clubs throughout North America.

The Mexico Jaguar Club have made an outstanding effort in planning our schedule for our time here in this most international of cities. The historical sites, museums, city rhythms, and culinary opportunities abound. Plan on attending their Sunday Concours with some very extraordinary automobiles, entertainment, and hospitality. Enjoy this rare opportunity to visit a country with an ancient history and modern vibe.

Welcome and Enjoy,

Mark Mayuga
